What is the duration of the Policy?

All our policies are monthly policies that run for 12 consecutive calendar month periods effective from the commencement date. At the end of each 12-month policy period we will write to you to tell you about any changes to the premium and/or policy terms and conditions. If you pay for your policy by direct debit instalments the policy will automatically continue at the end of each period of insurance and we will continue to take payments unless you tell Vetsure otherwise. If you pay for your policy in a 'lump sum' by credit/debit card, we will contact you in advance of your renewal date so you can arrange payment. In the event of payment default, you have 7 days to contact us to arrange payment. If payment is not received your policy will be cancelled with effect from the date that cover stopped being paid for. You will not be entitled to any of the benefits provided by your policy after this date.

What happens if I take out cover and then change my mind?

You may cancel this policy by contacting Vetsure within 14 days of the start date or the date you receive your documents if this is later. Provided you have not submitted a claim, and no benefit has been paid, we will refund any premium you have paid.
