Direct Claims

Thank you for choosing a Vetsure policy for your pet!
We, like you, hope that your pet leads a happy, healthy life and you do not need to make a claim for their treatment, but if you do, we want to ensure the process is as easy and hassle free as possible so you can concentrate on just getting them feeling better.

One of the major benefits of using your Vetsure policy at a Vetsure-accredited veterinary clinic is that you can be assured that they will offer a 'direct claim' facility. This will mean that you will only need to pay any excess contribution due up-front and the balance for any eligible claims will be paid direct to your vet!

You are of course welcome to use any veterinary clinic of your choosing, but if they are not Vetsure-accredited 'direct claims' will be offered at their discretion.

For more information about our network of excellent accredited clinics please visit www.vetsure.com/our-network.
