Welcome to Vetsure!

I want to personally thank you for entrusting the cover of your pet's care to us. The team at Vetsure understand just how important your pet is to you – they are members of your family, and we are passionately committed to helping you provide the protection they deserve.

Whilst I was a practising vet, I began to see ways in which pet insurance could be improved. In particular, I felt there was an opportunity for greater collaboration between insurers and vets. There was also a need to simplify the vast range of overly complex policy types and to focus on the lifelong products that most of my clients wanted. Committed to this vision I left my practice to launch Vetsure in 2009. I have never looked back and am incredibly proud of the achievements of the Vetsure team since then. That all said, we will never become complacent and continually strive to improve. In the meantime, we promise to:

Treat all our customers and their pets how we would like to be treated – and how we would like our pets to be cared for Only offer lifetime policies for our customers – we only want to offer policies that can, where required, support lifelong treatment following accidents. Settle your claims as quickly as possible – we have no desire to delay claims payment times and cause unnecessary 'money stress'.

Arrange vet fee payment directly with your Vetsure accredited clinic – that way you only have to pay the excess at the time of treatment.

Work hard to support your vet practice when they are treating your pet – so that they can focus on giving the best clinical care.

We do everything we can to help our customers understand the policy they have purchased and are always on hand to help explain any part of your cover as required. Our Customer Service Team are encouraged to spend as long as they need talking to our customers - whether you need help in regard to your policy or claim - or just want to chat about your pet!

I would strongly encourage you to take the time to read this document and familiarise yourself with what is and is not covered. If the cover does not suit you in any way, please contact us so we can explore adjusting it accordingly using our flexible options. Whilst we cannot advise you on the best coverage for you and your pet, we aim to give you enough information to help you make the right choice to meet your needs.

Thank you again for trusting me and the rest of the Vetsure family.

Important Information

Welcome to **Your Vetsure** Pet Insurance Policy Booklet. This should be read in conjunction with the other accompanying policy documentation: Insurance Product Information Document, **Schedule**, and Statement of Fact. The **Schedule** contains information about **You**, **Your Pet(s)**, the period of cover, level of cover and premium.

During the **Policy Period**, in return for payment of the correct premium, **We** will provide insurance for the **Pet(s)** named on the **Schedule** up to the **Benefit Limits** noted on the **Schedule** as per the policy terms and conditions set out in this document.

This policy is underwritten by **Atlas TVIS**, and it is arranged and administered by **Vetsure** who are authorised by **Us** to deal with **You**. Please do not hesitate to contact **Vetsure** on **0800 050 2022** if **You** have any questions regarding **Your** policy and they will be happy to help.

Our products meet the demands and needs of pet owners who wish to insure against the unexpected costs of veterinary **Treatment** over the life of their **Pet(s)**. **Our** 'Accident Only' policies are suitable for those seeking cover for **Injuries** resulting from **Accidents** only.

Please note, it is up to **You** to ensure that the cover **You** have selected is appropriate for **Your** needs. **Vetsure** cannot advise **You** on whether this policy meets **Your** personal objectives, financial situation or needs.

This policy does not cover every circumstance or expense and some exclusions therefore apply.

Details of the exclusions applicable to each section of cover are included within each section. The 'General Exclusions' part of this document details exclusions that apply to all sections of cover.

Your policy has been established based on the information **You** have provided to **Us** during the application process and as detailed in **Your** Statement of Fact document. If any of this

information is incorrect or has changed, please notify **Vetsure** immediately. **You** must notify **Us** as soon as possible of any changes which may affect the cover provided and which have occurred since the cover started. If **You** do not inform **Vetsure** of any changes, this policy may become invalid (in full or in part) and may not provide the cover **You** require.

In return for payment of the correct premium, We will provide cover under the sections that You have elected to include and as detailed in Your Schedule, subject as always to the policy terms, conditions and exclusions. In the event of payment default You have 21 days to contact Us and arrange payment. If payment is not received Your policy will be cancelled with effect from the date that cover stopped being paid for. You will not be entitled to any of the benefits provided by Your policy after this date.

Where does cover apply?

Cover is provided under all sections of the policy for claims arising whilst in the United Kingdom (England, Scotland, Wales, Northern Ireland).

Cover is also provided as detailed in the optional 'Overseas Travel' section only whilst **Your Pet** is temporarily located in European Union (EU) member countries, Channel Islands, and the Isle of Man.

The Insured's agreement to have this clause governed by Maltese law and subject to the jurisdiction of the Maltese Courts and the Insured's representation that it is permitted under applicable law to choose such law to govern this clause is a material reason why the Insurer has agreed to enter into this policy.

Claims and Our Claims Procedure

- When Your Pet receives Treatment, or You become aware of an event or Condition that could lead to a claim, You must inform Vetsure within the period stipulated within this document under each section of cover. If the Treatment of Your Pet is likely to result in a Veterinary Fees claim exceeding £1,000 You must endeavour to notify Vetsure as soon as possible (ideally, prior to commencing Treatment), for pre-authorisation. You can contact Vetsure on 0800 050 2022 or, alternatively, by email at claims@vetsure.com or in writing at Vetsure, 1st Floor, Helios Court, 1 Bishop Square, Hatfield, Hertfordshire AL10 9NE;
- 14.2 If You need to make a claim under the Veterinary Fees section of the policy You will need to submit a 'Claim Form' to Vetsure. You can request this by calling 0800 050 2022 or download one at vetsure.com. You will need to complete the Claim Form, sign it and return it to Vetsure, together with all the information We require to process the claim typically the relevant medical history and itemised invoice. Your Vetsure Clinic will be able to help You with this process.

Alternatively, **Your Vetsure Clinic** may be able to submit **Your** claim electronically if they are participating in **Our** 'E-claims' service. In this case, **You** will be sent a copy of the claim submitted by **Your Vet** and **You** will be asked to validate this via 'e-signature' before claim assessment can commence.

Please call **Us** on **0800 050 2022** if **You** wish to make a claim under any other section of the policy and **We** will supply **You** with the relevant Claim Form;

- Claims can be paid directly to **Your Vetsure Clinic** such that **You** will only need to pay **Your Vetsure Clinic** any **Excess** and co-payment contribution due (where applicable). If **Your Vet** is not accredited by **Vetsure**, acceptance of 'direct claims' will be at the discretion of **Your Vet**.

 Please refer to **vetsure.com** for a list of currently accredited clinics;
- 14.4 For claims under the 'Death of Pet from Accident' section it is **Your** responsibility to provide adequate proof of purchase or donation cost for **Your Pet** and **We** reserve the right to set the relevant **Market Value** if proof of purchase/ donation cannot be provided. In any event **Market Value** will be limited to a maximum of 50% of the **Benefit Limit** for **Pets** aged 6 years or more at the time of loss;
- You must continue to pay Your premium in order to be eligible to receive payment for any claims. In the event that You fail to pay Your premium, lapse or cancel Your policy all claims payments will cease from the date the policy is either lapsed or cancelled. If payment is not received Your policy will be cancelled with effect from the date that cover stopped being paid for, and no further monies will be due from Us.

The information You gave Us

We and Vetsure rely upon the information You provide to Us to decide whether to insure Your Pet and the terms and conditions under which We will offer cover. English law states that You must give Us and Vetsure honest and accurate answers to the questions We and Vetsure ask during the application process, such as all known factors relating to the health, Condition and behaviour of Your Pet. This is important as it may influence any decisions We make regarding Your application. You must use reasonable care in response to the questions and statements concerning this insurance. If You fail in Your duty of taking reasonable care not to make a misrepresentation to Us or Vetsure, We may exercise certain remedies which include cancelling this policy, retaining premiums or reducing the benefits due in terms of the policy.

Spotlight

Shining a light on some of the more complicated concepts and terms within your policy.

We realise that there is a lot to take in when you first open your policy booklet! Some of the terminology may be unfamiliar or specific to pet insurance. The purpose of this section is to provide additional information, and examples, of some of the more complex topics. Look out for the 'lightbulb' symbol in the policy wording as this will highlight that more information is available here.

The 'Spotlight' section does not form part of your policy wording terms and conditions and is intended to be supplementary guidance. Don't forget though, if there is anything you are not clear on – or you need help with how your policy applies to your pet and their health specifically - please call us and we will always try to help.

Related Conditions and Complications

It is important to understand how we handle related conditions and complications when we apply our Policy Wording and Benefit Limits. Sometimes, our approach may not completely align with the clinical interpretation of your vet – which we, of course, fully respect – but is required in order to apply our terms and conditions in a fair and consistent way.

First, let's remind ourselves what we mean when we talk about a 'Condition' (as detailed in our Definitions):

'any Injury sustained during or resulting from a single Accident;'

Here are some examples of what this means in terms of related conditions or complications in the context of our Accident Only policy:

Example 1: Bertie the Persian cat has an Accident Only policy. Unfortunately, he has been foraging and has eaten something he shouldn't which has caused damage to his kidneys. His emergency treatment for poisoning is covered. However, the damage to his kidneys means his renal function has been permanently impaired and he will need some medication on an ongoing basis to keep him healthy. The Accident Only policy does not normally cover renal illness, but as Bertie's kidney treatment is required as a direct result of an Accident, his owner will be able to claim up to £2,000 each year for this treatment (as part of an ongoing claim for 'Poisoning') and will only need to pay the excess for this condition once.

Example 2: Truffle the Cockapoo was unfortunately involved in a road traffic accident before his Vetsure policy started. His owner immediately arranged a Vetsure Accident Only policy for Truffle just in case he should be injured again the future. As the accident occurred before the policy start date it was considered 'pre-existing' and, as such, Truffle's emergency treatment and recuperation is not covered.

A few weeks later, one of Truffle's surgery wounds opens up and needs re-suturing followed by a course of antibiotics to prevent wound infection. Although this occurred within the policy cover period, it is related to - and a complication of – the pre-existing accident. As such, it would not be covered.

Changing your level of cover

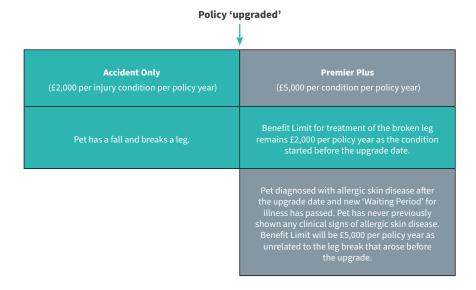

Here at Vetsure We want You to be confident You have the right level of cover for Your Pet – both when You first set up a policy and on an ongoing basis. If Your requirements change You might decide to change Your Pet's level of cover. This section explains the options available, any restrictions in place and helps illustrate the implications of the changes.

You can choose to change the type of policy Your Pet has by 'upgrading' or 'downgrading'. For example, this is an 'Accident Only' policy, but You might choose to 'upgrade' to one of Our policies that covers both Injuries resulting from Accidents and Illness: 'Premier' or 'Premier Plus'. Conversely, You might later decide that You don't need as much cover and choose to 'downgrade'.

Restrictions

- You can 'upgrade' the policy type at any point until Your Pet reaches their 10th birthday. There is no upper age limit applied for 'downgrades' in policy type.
- If You upgrade Your policy type to 'Premier' or 'Premier Plus', a 14-day 'Waiting Period' will apply from the effective date of the change. Conditions starting within this Waiting Period will be subject to the Benefit Limits and terms and conditions in force before the upgrade came into effect.

Example 'upgrade'

Example 'downgrade' from Premier (accident and illness cover) to 'Accident Only'

Premier (£2,000 per condition per policy year) Accident Only (£2,000 per accidental injury condition per policy year) The allergic skin condition is no longe

Policy 'downgraded'

Pet is involoved in a road traffic accident after the downgrade date. Benefit Limit for this wil be £2,000 for this condition per policy year.

accidental injury after the downgrade date.

Direct Claims

Thank you for choosing a Vetsure policy for your pet! We, like you, hope that your pet leads a happy, healthy life and you do not need to make a claim for their treatment, but if you do, we want to ensure the process is as easy and hassle free as possible so you can concentrate on just getting them feeling better.

One of the major benefits of using your Vetsure policy at a Vetsure-accredited veterinary clinic is that you can be assured that they will offer a 'direct claim' facility. This will mean that you will only need to pay any excess contribution due up-front and the balance for any eligible claims will be paid direct to your vet!

You are of course welcome to use any veterinary clinic of your choosing, but if they are not Vetsure accredited 'direct claims' will be offered at their discretion.
